LECTURER W. G. SMITH TALKS TO SALT LAKERS

Lectures on Hawaii and its tractions for the tourist and vantages for the investor are losing none of their popularity. Note below what the Salt Lake Herald-Republican of January 16 says:

"At the close of his illustrated ure in Assambly hall last night on 'The Hawaiian Wonderland,' Walter Gifford Smith was warmly congratulated by President Joseph F. Smith of the Mormon church upon the excellence and fidelity of his views and motion pictures, as well as on account of the clarity of his oral descriptions.

"The lecture was free, being given under the auspices of the commercial organizations of the Hawaiian Islands and the west. Perhaps the most impressive of all the motion pictures were the wonderful presentation of scenes in and about the crater of Kilauea volcano. Assembly hall was filled with spectators.

"'A Night in Hawaii' is another lecture along this line that is to be given in the Eighteenth ward amusement hall tonight. This will commence at 8:15 o'clock
